

6th South Essential Standards

2023-2024

ELA:

- W.6.4 - Students will be able to write a well constructed paragraph.
- RL.6.1 & RI.6.1 - Students will be able to cite evidence to support their answer.
- RL. 6.12 & SL.6.8 - Students will be able to understand word parts, word relationships, and figurative language.
- RL.6.2 - Students will be able to identify the main idea/theme of a text

Math

- 6.NS.3 - Fluently (efficiently, accurately, and flexibly) add, subtract, multiply, and divide multi-digit decimals using an efficient algorithm for each operation.
- 6.NS.1 - Interpret and compute quotients of fractions, and solve word problems involving division of fractions by fractions, requiring multiple exposures connecting various concrete and abstract models.
- 6.EE.6 - Solve one-step equations involving non-negative rational numbers using addition, subtraction, multiplication and division.

Pathways:

- I can develop, implement and engage in the areas of Critical Thinking, Collaboration, Communication and Creativity through school and real world experiences.
- I can reflect on my development in real-world and school experiences and identify areas for growth.

Social Studies:

- I can identify the characteristics that make up a civilization.
-Geography, Religion, Achievements, Politics/Government, Economy, Social Structure, Technology
- I can compare and contrast people, places, and events in history.
- I can examine the spread and transformation of culture and ideas in the ancient world.
- I can examine artifacts and draw conclusions about them.
- I can make a claim and support it with evidence.

Science

- Developing and Using Models - I can develop and use models to describe, test, and predict abstract concepts or phenomena.
- Asking Questions and Defining Problems - I can ask questions that lead to explanations. I can identify criteria and constraints to better solve problems.
- Planning and Carrying Out Investigations - I can plan and carry out investigations that use multiple variables and provide evidence to support explanations or solutions.
