Dear Parents:

We are hosting our annual **Parent Information Night on Thursday, August 19 at 6:00 PM**. This evening provides us with an opportunity to welcome our families to De Soto High School. Please enter through the Activity Entrance or student entrance on the north side of the building.

We will begin in the Main Gym with a brief welcome, and then you will follow your student's class schedule. As you move from class to class, each teacher will make a brief presentation regarding course content and student expectations.

Due to the tight schedule, teachers will not have the opportunity to address individual student needs. You are encouraged to contact teachers during the school day if you need individual attention. Teachers can then better address any student specific questions.

Below is our bell schedule for the evening. We appreciate your partnership this school year and thank you for coming.

6:00-6:10 PM	Welcome (Main Gym-Mr. Ruff)
6:10-6:15	First Passing Period

The purpose of this evening is to provide a face with a name, hear a few expectations from the classrooms and to provide an opportunity for you to see the building.

PE Classes— will meet in the Gymnasiums

Health Classes— will meet in room 317

Weights—will meet in the weight room

CTEC (Cedar Trails Exploration Center) courses – parents will meet in the Commons

As a friendly reminder, masks are required for our Parent Information Night. All visitors to a school building are required to wear a mask unless they have a medical mask exemption. To be most prepared for our event, if you, as a parent/guardian, have a medical mask exemption, please email me directly at sruff@usd232.org. I want our staff to be prepared to welcome all our visitors.

Kind Regards,

Sam Ruff
