

# Important Information

## about your student's USD 232 issued iPad

As part of our district's *Coming Back Together* plan, all elementary students have been issued technology to use during "at-home" or "virtual" instruction days. This storage box and the following contents are checked out to your student:

*1-7th Generation iPad in a protective case*

*1-Logitech Crayon*

*1-Apple Charging Cord & Block*

**On days your child returns to the building, it is expected that the iPad and Crayon are fully charged and that all of the contents in the box go back to school. There will not be extra devices or chargers in the classroom.**

## How do I?

**SCAN ME**

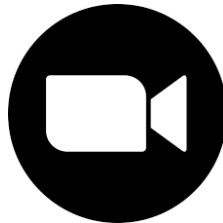

We have compiled a playlist of "How-To" videos to help answer questions you may have about your child's iPad. We also have created videos about Zoom and Schoolwork, the primary apps students will use to participate in virtual learning. Simply scan the QR code on the iPad or your phone to go to the USD 232 YouTube Channel.

Join us via Zoom for our Elementary Tech Night! We will go over the basics and answer your questions virtually. September 15th OR 16th at 6pm. Go to the link below:

<https://usd232.zoom.us/j/9299090807>

Meeting ID: 929 909 0807

Passcode: USD232

## Who to call for help

If you or your student do not understand an assignment: Contact your TEACHER

If the iPad is not working correctly or is lost or damaged: Contact our IT provider k12-itc 816-382-4840 or via the district website: <https://www.usd232.org/site/Default.aspx?PageID=189>

## iPad Do's & Don'ts

- **Do** allow your student to personalize their iPad by creating their own background or adjusting the text color
- **Do** allow your student to attach a keyboard or ear buds if they would like (those are not provided by USD 232)
- **Do** report damages immediately to the technology help desk at 816-382-4840.
- **Do not** remove the district iPad case at any time
- **Do not** allow your student to place stickers on the iPad, case or crayon
